EDUCATION

KC group of professional institutes pandoga
computer science engineering B.tech

Una,Himachal Pardesh
September 2022 - Present

SKILLS

Programming Languages:	Python, MySQL, R programming
Libraries/Frameworks:	TensorFlow, PyTorch, Sklearn, seaborn, matplotlib, numpy
Tools / Platforms:	Git & Github, VS code, Jupyternotebook
Databases:	SQL, MongoDB

PROJECTS / OPEN-SOURCE

Iris Classification | **Link**

Sklearn , jupyternotebook , logistic regression

- a project on iris classification and it uses the the logistic regression and has 97% accuracy.

Car Price Prediction | **Link**

Sklearn , jupyternotebook , random forest

- a car price prediction project with 78% accuracy
- it uses random forest algorithm
